

# Free workshops for CRR providers

Community  
Relief & Resilience

## Outcomes and poverty

This free 2 hour workshop will introduce participants to how and why outcomes are increasingly being used to measure and report the impact of services. The workshop will also provide guidance on how a volunteer or funded service might use outcome-focused assessment and referral tools.

**Date:** Friday 23rd July

**Time:** 2pm-4pm

**Venue:** Albany Library  
221 York St, Albany
