

Active Programs Stand at Local Community Fair

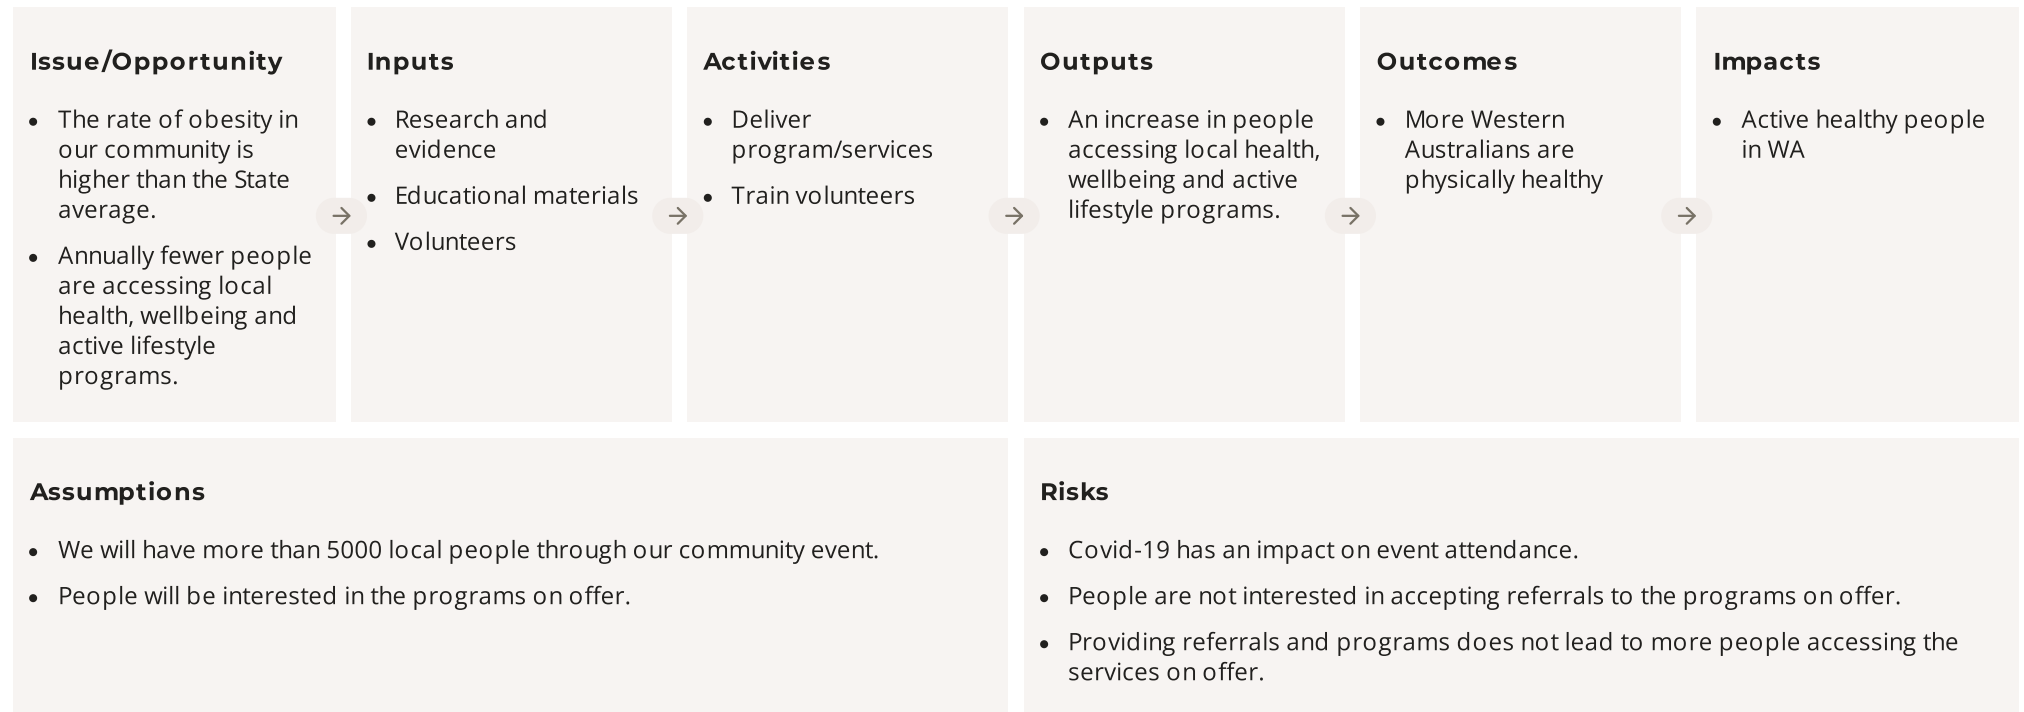

Theory of Change

Your guiding theory to understand the vision and scope of your project.

By providing free health checks and referrals to local health programs at our community event, we can address higher than average rates of obesity in our area, which will lead to more people engaging in healthy behaviours.

Logic Model

A detailed plan of your project and its impacts

Active Programs Stand at Local Community Fair

Evaluation Planner

An outline of how the outcomes of your program can be measured.

Outcomes	Indicators	Tools	Timing	Team members
More Western Australians are physically healthy	<ul style="list-style-type: none">• Increased participation in physical activity→ • Increased participation in healthy activities amongst vulnerable/at risk populations	<ul style="list-style-type: none">• Focus groups• Survey	<ul style="list-style-type: none">• Monthly• Mid-way through project→ • End of project	<ul style="list-style-type: none">• Kath Leeman - NFP CEO• Antonietta Ferrara - Program Manager
